

# Flu Alert

## Visitor Restrictions

to protect our patients, staff and visitors

### Please adhere to the following policy:

- Must be aged 18 or older
- Two visitors at a time in patient rooms or procedural areas. (In Labor and Delivery as well as Postpartum, dad is not considered a visitor)
- Please keep visitation periods brief
- No visitation if you are ill or experiencing any of the following symptoms:
  - \* Fever, cough, chills, sore throat, headache, muscle aches or diarrhea
- If you are coughing or sneezing, please ask for a mask
- Preferred Visiting hours are as follows:
  - \* Medical/Surgical, Critical Care Unit and Maternity: 11 a.m.–8 p.m.
  - \* Geriatric Behavioral Health Unit: 11 a.m.–noon and 6–8 p.m.
  - \* Oakview Behavioral Health Center: 6–8 p.m.
- Please wash or sanitize your hands:
  - \* Upon entering and exiting all rooms and areas
  - \* After coughing or sneezing
